DIRECTIONS

Before starting this tutorial please make sure to read all instructions. Spray work surface, utensils and mixing bowl with 70% isopropyl alcohol and wipe with paper towels. Use disposable pipets when dispensing essential oils. Do not place undiluted essential oils in plastic ware.

Step 1

Weigh the Simply Fresh Odor Neutralizing Base into a funnel pitcher.

Step 2

Using disposable pipettes, add the essential oils.

Step 3

Stir for at least 60 seconds to combine or until the essential oil is fully incorporated.

Step 4

Pour into plastic bottles and seal with fine mist spray caps and enjoy!
